PROFILE

Experienced Frontend Developer with a passion for creating visually stunning and user-friendly web applications. Proficient in HTML, CSS, JavaScript, Node.js and popular frontend frameworks like React. Adept at collaborating with cross-functional teams to turn design concepts into responsive and interactive web interfaces. Strong problem-solving skills and a commitment to staying up-to-date with the latest industry trends and technologies.

WORK EXPERIENCE

Electromechanical Technician/Ukrainian Railway

August 2010 - February 2023

Ensures the proper condition, trouble-free and reliable operation of serviced devices and equipment, correct operation, timely high-quality repair, and modernization in accordance with maintenance instructions, approved drawings and diagrams, applicable technical conditions, and standards. Studies the operating conditions of the devices, identifies the reasons for premature activation, takes measures to prevent and eliminate them. Provides instructions to personnel using these devices on the rules of operation.
